

Price of Inspection Report for Construction Site Distribution Box

Overview

Expect to pay around £100–£300 for a domestic EICR in 2025, while commercial properties are usually priced £10–£20 per circuit. The guide that follows sets out the legal timetable, the detailed checklist your electrician will work through, up-to-date pricing tables, and a simple method for booking. An EICR (Electrical Installation Condition Report) cost is the charge for inspection, testing, and certification of fixed electrical installations in the UK to meet the BS 7671 standards of safety. EICR cost is based on the type of property, circuit load, and the extent of the inspection. The cost. A site inspection report format gives you a repeatable way to record what you saw, what went wrong and what needs fixing. Site managers, safety officers, contractors and auditors use it across construction, manufacturing, facilities and safety audits to prove compliance and reduce risk exposure.
