

S7706 Core Switch with Dual Main Controllers

Overview

Deploy Huawei S7706 Quidway modular switch with non-PoE chassis, 2x SRUA main control units and dual 800W AC for reliable S7700 aggregation and core. Global Shipping & Tech Support

The S7706 chassis is 10 U high (1 U = 44. When the chassis has no cable management frame installed, the dimensions (H x W x D) are 441. The price includes only the 1 x integrated chassis, and all additional components, such as main control boards, service modules, power supplies, and fan modules, must be purchased.

S7700 Series Smart Routing Switches S7706

The S7700 series switches (S7700 for short) are high-end smart routing switches designed for next-generation enterprise networks. The S7700 design is based on 's intelligent multi-layer switching technology to provide intelligent service optimization. (Video) How does Huawei PEN innovate for a green and low-carbon future

S7700&S8700&S9700&S12700&S16700

Series S7706: Access product manuals, HedEx documents, product images and visio stencils. Figure 1 shows the appearance of ES0Z1B06ACS0 (front view).
